## **Game of Thrones**

By: Kyle Higgins

A comedic script based on 1 Samuel 16:7-12

5 speaking roles, any gender. 7 Non-Speaking roles Preferably Male.

If needed the MC characters could use cue cards. The MC's could also be played by one person.

MC 1

Welcome to Game of Thrones!

MC 2

It's like America's got Talent.

MC 1

But the winner gets to be king of all Israel and Judea!

MC 2

Our competition has been narrowed down to one family the Family of Jesse

MC 1

Jesse has eight sons. But only 1 can be King

MC 2

Let's introduce you to our judge, some call him the messenger, some the prophet! But we call him Samuel the Kingmaker!

(enter Samuel)

MC 1

Tell us Samuel. What will make one of these young men our winner today?

SAMUEL

Well I don't now know. But when I do know, I'll know. You know?

MC 2

Sounds to me like there are no favorites. Everyone has a chance!

SAMUEL

No,no,no,no,no. There is a favorite and he is already known. **I** just don't know... who...yet.God knows (*whispers*)and He's going to tell me.

MC 1

What a guy!

MC 2

First up on the catwalk to be king we have Eliab. Eliab show us your stuff!

(Eliab walks across the catwalk like a model)

MC 1

So tall!

MC 2

So handsome!

SAMUEL

So Rejected!

(Eliab exits)

MC 1

Sammy baby, why not Eliab? He looks like the perfect king!

SAMUEL

The Lord does not look at the things people look at. People look at an outward appearance but God looks at the heart.

MC 2

Well our next contestant sure gets our hearts beating.

MC 1

Fathers hold on to your daughter's because here comes Adnidab.

(Adnidab enters in a muscle shirt and does impressive muscle man moves)

MC 2

More like Adni-ABS! This guys  
muscles have muscles!

SAMUEL

Even more like Adni-NOT GONNA BE  
KING. Muscles don't make the man...  
Next!

(Adnidab exits in tears)

(Enter Shammah in a  
construction outfit)

MC 1

How about Shammah the hamma?  
(hammer)

MC 2

If he were king. He would NAIL it!

SAMUEL

No, No, No! What a waste of time.  
In fact send me the rest of them  
all at once so we can get this over  
with.

(enter Nethanel, Raddai,  
Ozem and Other Guy)

MC 1

Alright, appearing now on stage are  
Nethanel, Raddai, Ozem and another  
guy who's name is not mentioned  
anywhere in the Old or New  
Testaments.

MC 2

Are any of these men our new king?

SAMUEL

Absolutely not! None of these men  
have a heart for God. I don't  
understand how this happened. God  
told me his next king would be  
Jesse's son. Are there no more sons  
of Jesse?

MC 1

Well, there is one more, but he's the  
youngest.

MC 2

And all he does is look after  
sheep.

SAMUEL

Bring him here right now. He must be who God wants. You four, go get him and send him to us.

(Nethanel, Raddai, Ozem and Other Guy exit)

We shall not sit down until he arrives.

MC 1

Why can't we sit down?

SAMUEL

Because it says so in the Bible.

MC 2

I hope he doesn't take too long. If I stay standing in one spot for longer than a minute I faint. It's a medical condition!

(awkward pause)

(enter David wearing an I heart God T-shirt)

MC 1

David!

MC 2

Phew!

SAMUEL

Yes! Finally! This is who the Lord has chosen. A man who truly has a heart for God. You David are Israel's next King!

DAVID

Wow. Awesome!

(As Samuel hugs David and anoints his head with oil the MC's wrap things up.)

MC 1

Well there you have it folks! That wraps up this generation's Game of Thrones. David is Israel's heir apparent.

MC 2

And *apparently* it's not because he looks good and not because of his muscles.

MC 1

But because of his

MC 1,MC 2

love for God!

MC 1

Tune in next generation and witness a true battle of heavyweights as Solomon and Adonijah face off to claim the throne of their father David.

MC 2

But until then keep God in your heart and maybe just maybe you might become King.

MC 1, MC 2

Goodnight Everybody!

**THE END.**
