Lyrics

You Got Me – Jonathan Traylor

When my mind is under attack, be my peace
And when my life seems a little off track,
shepherd me
You know every twist and turn that this life
brings
When my heart beats a little too fast, calm my
sea (shh)

You got me
You got me
I know, I know, I know
I know You got me

Yeah-yeah (woah)
Yeah-yeah (hey!) yeah-yeah
You got me (yeah-yeah)
Yes, You do (yeah-yeah)
(Yeah-yeah) I know You got me

When doing the right thing is hard to do,
strengthen me
And when I feel I have something to prove,
affirm me
You know every secret war that I'm fighting
And when my heart is under attack, remind me

You got me
You got me
I know, I know, I know
I know You got me

Yeah-yeah
Yeah-yeah, yeah-yeah
You got me (yeah-yeah)
Yeah-yeah, yeah-yeah

You're the only one that knows me in and out
And there's never been a day You've let me
down
And when fear tries to convince me otherwise
You remind me that You've never left my side

Yeah, You got me (yeah-yeah)
You got me, You got me (yeah-yeah, yeah-yeah)
You got me (yeah-yeah, yeah-yeah)
I know You got me (yeah-yeah)
You never let me go (yeah-yeah)
You never let me go (yeah-yeah)
You got me (yeah-yeah) You got me (yeah-yeah)
You got me (yeah-yeah)
I know You got me

Good God – Cade Thompson

Woke up with the sunshine, shining on down
Coming through the windowpane
Got so many blessings all around, and joy
written on my face

My worries are gone, 'cause I found a love and
it's lifting me off
It's more than enough, more than enough

I got holy ground underneath my feet
I got grace like rain washing over me
I got all the love I could ever need
I got a good God, good God

I got mercy running through my veins
Got a freedom song I can't contain
And I know it's gonna be a good day
I got a good God, good God, good God

There's nothing like your kindness holding me
up
Every time I'm feeling low
There's peace like a river, that never runs dry
Overflowing in my soul

My worries are gone 'cause I found a love and
it's lifting me off
It's more than enough, more than enough

I got holy ground underneath my feet
I got grace like rain washing over me
I got all the love I could ever need
I got a good God, good God

I got mercy running through my veins
Got a freedom song I can't contain
And I know it's gonna be a good day
I got a good God, good God, good God
(La-la-la-la-la-la-la)
(La-la-la-la-la-la-la)

It's gonna be a good day, 'cause I got a good
God
It's gonna be a good day, 'cause I got a good,
good God
No matter what comes my way, seasons always
change
But He's a good God, He's a good, good God

I got holy ground underneath my feet
I got grace like rain washing over me (over me)
I got all the love I could ever need
I got a good God, good God (God, God, God)

I got mercy running through my veins
Got a freedom song I can't contain
And I know it's gonna be a good day
I got a good God, good God, good God (la-la-la-
la-la-la-la, la-la-la-la-la-la-la)
Yes I know, I've got a, I've got a
I've got a good God, good God, good God

Giving In – Cecily

You go, I go
We go Dancing
Left foot, Right foot
Eyes locked, gazing
You're here, I'm here

There's no place that I'd rather be

Step up, Step back
Yeah, we've got it
Come in, Close and
Feel the motion
Breathe in, Breathe out

No there's no need to rush the moment

Keeping in step
With your movement
Hand in hand
We move to the music
Just want to stay here
Forever and ever

I'm giving in to Your love
I'm letting go of all control
There's nothing between us
You're all that I want, You're all that I want

You meet me in the middle
We're moving in Your freedom now
It's just you and me here
You're all that I want, you're all that I want

Teach me something
I've never learned before
I'm listening
Can you tell me more
I trust, you lead
Where you go, I'll always follow

Keeping in step
With your movement
Hand in hand
We move to the music
Just want to stay here
Forever and ever

I'm giving in to Your love
I'm letting go of all control
There's nothing between us
You're all that I want, You're all that I want

You meet me in the middle
We're moving in Your freedom now
It's just you and me here
You're all that I want, you're all that I want

You're all that I want, you're all that I want
It's just you and just me here
You're all that I want, you're all that I want
You're all that I want

Leaning on your love is
The best thing I have done
It's all I've ever wanted
It's better than life

Leaning on your love is
The best thing I have done
It's all I've ever wanted
It's better than life
Better than life

Always Holding On – Brandon Lake

Though I walk through the valley
All the shadows fall
Your promise to me
You are always holding on

And when the burden is heavy
And my legs get weak

Your promise to me
You are always holding on

Your goodness is chasing me down
Your goodness is chasing me down
Your goodness is chasing me down
Your goodness is chasing me down!

When the night gets dark
And when the fire gets long
No, I won't lose heart
'Cause You are always holding on

And when the fear gets loud
I'm gonna stand my ground!
And let love drown it out
'Cause You are always holding on

I can stand in the fire
You know I won't get burned
'Cause with an army of angels
You are always holding on

And that devil's a liar
And his time is up
And there at the end of my story
You are always holding on

When the night gets dark
And when the fire gets long
No, I won't lose heart
'Cause You are always holding on

And when the fear gets loud
I'm gonna stand my ground!
And let love drown it out
'Cause You are always holding on

Oh-oh-oh, Oh-oh-oh, Oh-oh-oh
Oh-oh-oh, Oh-oh-oh, Oh-oh-oh

Your goodness is chasing me down
Your goodness is chasing me down

Your goodness is chasing me down
Your goodness is chasing me down

Your goodness is chasing me down
Your goodness is chasing me down
Your goodness is chasing me down
Your goodness is chasing me (down)

When the night gets dark
And when the fire gets long
No, I won't lose heart
'Cause You are always holding on

And when the fear gets loud
I'm gonna stand my ground!
And let love drown it out
'Cause You are always holding on

Holding on
(Oh, oh, oh) holding on
(Oh, oh, oh) You are always holding on
(Oh, oh, oh) holding on
(Oh, oh, oh) holding on
(Oh, oh, oh) You are always holding on
